

Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

No Serious Risk Non-Compliances were observed during this inspection

Moderate Risk Non-Compliances

Domain: 09 Children's Files

Rule: 5101:2-12-15 Medical/Physical Care Plans

Code: The program is required to have a completed JFS 01236 "Child Medical/Physical Care Plan for Child Care" on file at the program for any child having a health condition and must implement and/or follow instructions on the plan. The program is required to have staff trained to perform the procedures on the JFS 01236 "Child Medical/Physical Care Plan for Child Care" present at the program when the child requiring the procedure is onsite. Only staff who have been trained shall be permitted to perform the procedures listed on the JFS 01236.

Finding: In review of the children's records, it was determined the program did not meet the requirements for caring for at least one child, indicated on the Children Records Review, with a condition that requires a JFS 01236 "Child Medical/Physical Care Plan" as noted in number(s) 1 below:

Low Risk Non-Compliances

Domain: 01 Ratio & Supervision

Rule: 5101:2-12-18 Attendance Records

Code: The program is required to maintain a record of the arrival and departure of each child. The program is also required to retain the original attendance record at the center for a period of one year.

Finding: During the inspection, it was determined the program did not meet the requirements for keeping an attendance record as listed in number(s) 2 below:

1. No attendance record was being maintained.
2. The attendance record was not being consistently completed and system not easy to interpret.
3. The record did not include the name of at least one child.
4. The record did not include the birth date of at least one child.
5. The record did not include the assigned group.
6. The record did not include the child's weekly schedule.
7. The record did not include the time (hours and minutes) of each child's arrival and departure to the program, including transportation by the program.
8. The original attendance record was not kept at the program for a period of one year.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 11/15/2024

Domain: 01 Ratio & Supervision

Rule: 5101:2-12-19 Supervision

Code: The program staff is required to supervise children in their assigned group by sight and hearing. Supervision includes being near enough to respond and reach children immediately including responding to the child's basic needs and protecting them from harm.

Finding: During the inspection, it was determined that children were not being properly supervised as noted in number(s) 5 below:

1. Child(ren) were not within both sight and hearing of a child care staff member during indoor play.
2. Child(ren) were not within both sight and hearing of a child care staff member during outdoor play.
3. Child(ren) were not within both sight and hearing of a child care staff member more than once.
4. Staff were not physically present in the space and near enough to respond and reach the child(ren) immediately.
5. School Age student not supervised while arriving from bus and entering the building.

Children must be supervised according to rule and within both sight and hearing of a child care staff member at all times. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Domain: 05 Health & Safety

Rule: 5101:2-12-22 Meal and Snack Requirements

Code: The program is required to post the current weekly menu in a noticeable location that is accessible to parents and note any substitutions at the time of the change.

Finding: During the inspection, it was determined that the program's weekly menu did not meet the requirement as noted in number(s) 2 and 5 below.

1. The menu was not posted.
2. The posted menu was not in a visible place readily accessible to parents.
3. The menu was not currently dated.
4. The entire menu was substituted.
5. At least one item on menu did not match what was served.
6. The meal or snack served did not match the posted menu.

As discussed, please correct this rule noncompliance. A written response for this rule noncompliance is required at this time.

Domain: 07 Diapering & Infant Care

Rule: 5101:2-12-23 Infant Daily Care

Code: The program is required to provide infant daily care that meets the requirements of the rule.

Finding: During the inspection, it was determined that the program's infant daily care did not meet the requirements of this rule as noted in number(s) 4 below:

1. Infants could not safely and comfortably sit, crawl, toddle, or walk and play according to the infant's stage of development.
2. Infants were not removed from the crib, swing, infant seat, exercise seat or other equipment throughout the day for individual attention.
3. Each non-crawling infant was not provided the opportunity for tummy time, outside of their crib, each day.
4. Changing table was too small for the Infants being placed on it, leaving them hanging half way off.

Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 11/15/2024

Domain: 08 Staff Files

Rule: 5101:2-12-08 Medical Statement

Code: The program staff's medical statements are required to be completed and on file at the program.

Finding: In review of the staff records, it was determined that the medical statements for the employees listed on the Employee Record Chart did not meet the requirements as listed in number(s) 3 below.

1. A medical statement was not on file for at least one employee;
2. The medical statement(s) on file did not have a date of examination within 12 months of the employee's first day of employment;
3. Date of examination was missing;
4. Signature, business address, or telephone number of the licensed physician, physician assistant, advanced practice nurse, certified midwife, or certified nurse practitioner who completed the examination was missing;
5. A statement was missing that verifies the employee is:
 - a. Physically fit for employment in a program caring for children;
 - b. Immunized against Tetanus, Diphtheria, Pertussis (Tdap);
 - c. Immunized against Measles, Mumps, and Rubella (MMR);
6. Tuberculosis (TB) screening/test information was missing:
 - a. Documentation of the screening process to determine if the employee resided in a country identified by the world health organization as having a high burden of TB and arrived in the United States within the five years preceding the date of application for employment.
 - b. Results of a TB test for employees meeting both criteria in 6a.
 - c. Results of additional testing for employees with a positive TB test.
 - d. Written statement, signed by a representative of the TB control unit, that the employee's TB is no longer infectious or the individual is receiving a TB treatment regimen for employees with a positive TB test.

Submit the program's corrective action plan, which includes a copy of the completed employee medical statement, or TB results/documentation, to the Department to verify compliance with the requirements of this rule.
