

Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

No Serious Risk Non-Compliances were observed during this inspection

Moderate Risk Non-Compliances

Domain: 09 Children's Files

Rule: 5180:2-12-25 Medication Administration

Code: The program is required to use the appropriate form and retain current documentation to administer medications. The program is also required to obtain separate documentation for each medication and child, and retain on file each JFS 01217 "Request for Administration of Medication for Child Care" for at least one year. The program is required to administer medication only if it has the prescription label attached or had written instructions from a licensed physician. The program is also required to have each medication to be administered stored in its original container.

Finding: During the inspection, it was determined the program did not meet the requirement(s) for administering a medication or medical food or a prescription topical product to a child as noted in number 20 below:

1. The JFS 01217 "Request for Administration of Medication for Child Care" was not on file for a medication, medical food, or prescription topical product that was not required by a JFS 1236 ""Child Medical/Physical Care Plan for Child Care"".

2. The child's name was missing on the JFS 01217.
 3. The child's date of birth was missing on the JFS 01217 and was needed to determine the correct dosage.
 4. The child's weight was missing on the JFS 01217 and was needed to determine the correct dosage.
 5. The name of the medication was missing on the JFS 01217.
 6. The exact dose was missing on the JFS 01217.
 7. The time to administer was missing on the JFS 01217.
 8. The time period to administer was missing on the JFS 01217.
 9. The medication's expiration date was missing on the JFS 01217.
 10. The Parent/Guardian's dated signature was missing on the JFS 01217.
 11. Physician instructions were missing on the JFS 01217.
 12. Possible side effects were missing on the JFS 01217.
 13. Physician's dated signature was missing on the JFS 01217.
 14. Physician's phone number was missing on the JFS 01217.
 15. Date medication was administered was missing on the JFS 01217.
 16. Time medication was administered was missing on the JFS 01217.
 17. Dosage administered was missing on the JFS 01217.
 18. Staff member's signature was missing on the JFS 01217.
 19. A prescription label was not attached to the prescription medication.
 20. The medication or product was not brought to the program in its original container.
 21. Parent instructions conflict with either the manufacturer or physician instructions.
- Submit the program's corrective action plan, which includes the completed JFS 01217 for each child needed, verification that the prescription label is now attached, and/or verification that the medication or product is now in its original container, and a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Low Risk Non-Compliances

Domain: 00 License & Approvals

Rule: 5180:2-12-04 Fire Inspection

Code: The program is required to obtain a fire inspection within 12 months from the date of the last fire inspection without any uncorrected violations.

Finding: During the inspection, it was determined the program had not been inspected by the local fire department or local fire safety inspector and secured documentation of a fire inspection without any uncorrected violations within 12 months from the date of the last fire inspection without any uncorrected violations, as required. The program had requested the new inspection at least 30 days prior to the expiration date of the previous fire inspection. Submit the program's corrective action plan, which includes an updated fire

inspection without any uncorrected violations, to the Department to verify compliance with the requirements of this rule.
