

# **Center Licensing Inspection Full Report**

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <a href="http://jfs.ohio.gov/CDC/childcare.stm">http://jfs.ohio.gov/CDC/childcare.stm</a>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

# **Summary of Non-Compliances**

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Rule: 5101:2-12-25 Medication Administration

Code: The program staff is required to administer medication following the instructions on the JFS 01217

"Request for Administrator of Medication for Child Care" form or attached prescription label.

<u>Finding</u>: During the inspection, it was determined the program had administered medication to a child and the written instructions on the JFS 01217 "Request for Administration of Medication for Child Care" form or attached prescription label were not followed as noted in number(s) 3 below:

- 1. Medication had been administered to a child at the center at a different time than directed.
- 2. Medication was administered to a child for a longer or shorter period of time than directed.
- 3. The dose administered did not match the dosage required by the manufacturer's directions.
- 4. The dose administered did not match the dosage required by the written physician's instructions or the prescription label.
- 5. A child was administered the wrong medication provided to the program for that child.
- 6. Other: [ ].

Provide training to the staff designated to administer medication that the parent's and physician's instructions on the prescribed form, as well as instructions on the prescription label, must be followed to avoid over or under medicating a child. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Rule: 5101:2-12-07 Administrator Responsibilities/Requirements

Code: The program administrator is required to maintain current employee records in the Ohio Professional

Registry.

<u>Finding</u>: During the inspection, it was determined employment records in the Ohio Professional Registry (OPR) were not created or maintained as noted in number(s) 3,5,6 below:

- 1. At least one administrator, employee or child care staff member (including substitutes) had not created a profile.
- 2. At least one administrator, employee or child care staff member had not created an employment record for the program on or before their first day of employment.
- 3. At least one administrator, employee or child care staff member had not updated changes to positions or roles within five calendar days of the change.
- 4. The administrator had not assigned at least one employee or child care staff member to the program's organization dashboard.
- 5. At least one individual's schedule was not current.
- 6. At least one individual's position or role did not include an applicable group assignment.
- 7. At least one individual's employment had not been end dated.
- 8. Other: [ ]

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Rule: 5101:2-12-25 Medication Administration

<u>Code</u>: The program is required to store medical foods and topical products out of the reach of children.

<u>Finding</u>: During the inspection, it was determined that a medical food or topical product, diaper ointment, was within the reach of children in the Starfish (infant) room in that the medication was stored on the diaper changing table shelf & in an over the door hanging basket that was within reach of the children. Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.
