Licensing Inspection Full Report

All licensed early care and education programs are inspected at least once each year. Non-compliances are documented and grouped by risk level. Documenting statements, technical assistance provided and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the Department of Children & Youth website at https://childcaresearch.ohio.gov/ . This includes complaint investigation reports with substantiated allegations. For any other early care and education records, please contact the Family and Customer Support Center at 1-844-234-5437.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03, 5180:2-13-03, 5180:2-19-10 and 5180:2-20-02 detail the process for submitting a request for review. The request for review must be submitted within ten business days from the receipt of the licensing report. In addition, if the program is Step Up To Quality rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

A serious risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

No serious risk non-compliances were observed during this inspection

Ohio Department of Children & Youth

Moderate Risk Non-Compliances

A moderate risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

Domain: **02 Safe & Sanitary Environment**

Rule: 5180:2-12-12 Safe Environment

Requirement: The program is required to store chemicals and machinery in a place that is inaccessible to children. The program is required to provide an outdoor play area away from machinery in operation.

Finding: During the inspection, a potentially hazardous item or toxic substance was used or stored in the toddler and preschool classrooms where children had access to it.

The following was observed: cleaning agents and an employee purse.

Provide staff training. Submit the program's corrective action plan, which includes a statement that the potentially hazardous substance or item is no longer accessible to children and/or children will not be outside when machinery is in use and a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 11/27/2026

Domain: **09 Children's Files**

Rule: 5180:2-12-15 Child Health Care Plans

Requirement: The program is required to have a completed DCY 01236 or equivalent form on file at the program for any child having a health condition and must implement and/or follow instructions on the plan. The program is required to have staff trained to perform the procedures on the form present at the program when the child requiring the procedure is onsite. Only staff who have been trained shall be permitted to perform the procedures listed on the form.

Finding: In review of the children's records, it was determined the program did not meet the requirements for caring for at least one child, indicated on the Children's Records Review, with a condition that requires a DCY 01236 "Health Care Plan Documentation & Permission to Administer Medication" or equivalent form.

The following was observed: signature of parent granting permission to implement the plan and verifying training was missing; date of parent signature was missing; signature(s) of child care staff member(s) who received instructions or were trained to perform the procedure were missing; date of staff signature was missing; administrator/Provider signature was missing; date of Administrator/Provider signature was missing; none of the child care staff were trained and a child care staff member who had not been trained on the form performed the procedure

Provide staff training. Submit the program's corrective action plan, which includes a copy of the completed DCY 01236 or equivalent form, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 11/27/2026

Other Non-Compliances

This section includes other rule violations that are observable and/or based on facts.

Domain: **04 Indoor/Outdoor Space**

Rule: 5180:2-12-11 Outdoor Play Equipment

Requirement: The program is required to provide equipment that does not pose a safety risk and must follow the manufacturer's guidelines for assembling, installing and using the equipment.

Finding: During the inspection, it was determined that outdoor play equipment was unsafe or not used as intended.

The following was observed: the climbing wall was not free of conditions that pose a risk of harm to children in that the manufacturer's guidelines were not followed as a bolt was missing from one of the steps.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 11/27/2026

Domain: **10 Written Policies & Procedures**

Rule: 5180:2-12-16 Emergency Preparedness and Response Plan

Requirement: The program is required to train child care staff members and employees on the EPRP annually and keep written documentation of the training on-site.

Finding: During the inspection, it was determined the program's emergency preparedness and response plan (EPRP) did not meet the requirement for training child care staff members and employees on the plan annually.

The following was observed: child care staff members and employees were not trained annually.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule

Corrective Action Plan Due: 11/27/2026

Technical Assistance Provided

This section documents technical assistance provided to the program when the program demonstrated an overall level of compliance with a rule requirement.

Domain: 02 Safe & Sanitary Environment

Rule: 5180:2-12-13 Sanitary Equipment and Environment

Requirement: The program is to ensure equipment, furnishings, and materials are constructed of materials to facilitate cleaning.

Findings: During the inspection, it was determined the program had equipment or materials or furnishings with material ripped, torn, or not easy to clean as required. Technical assistance was offered to support compliance. As discussed, please make the necessary corrections. A written response is not required at this time.

Domain: 09 Children's Files

Rule: 5180:2-12-25 Medication Documentation

Requirement: The program is required to retain proper documentation to administer medications, medical foods and topical products. The program is also required to obtain separate documentation for each medication/product and child.

Findings: During the inspection, it was determined the program did not ensure parent permission was secured for all topical products as required. Technical assistance was offered to support compliance. As discussed, please make the necessary corrections. A written response is not required at this time.
