

Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at http://jfs.ohio.gov/CDC/childcare.stm. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03 and 5180:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Domain: 01 Ratio & Supervision

Rule: 5180:2-12-18 Attendance Records

<u>Code</u>: The program is required to have a method for tracking the children in each group. The tracking method must be updated throughout the day and kept with the group at all times.

<u>Finding</u>: During the inspection, it was determined that the method for tracking children in each group did not meet the requirements of the rule as noted in number 5 below:

- 1. There was no method in place;
- 2. The method did not include each child's name;
- 3. The method did not include each child's date of birth;
- 4. The tracking method did not remain with the group at all times;
- 5. The tracking method was not updated throughout the day as children entered or left the group.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Rule: 5180:2-12-13 Handwashing Requirements

Code: The program is required to have all staff and children wash their hands as outlined in rule.

<u>Finding</u>: During the inspection, it was determined that handwashing requirements were not followed as listed in numbers 4 and 5 below, as required in rule.

- 1. At least one staff/child did not wash their hands upon arrival for the day.
- 2. At least one staff/child did not wash their hands prior to departure.
- 3. At least one staff did not wash their hands upon entry into a classroom.
- 4. At least one staff/child did not wash their hands after toileting or assisting a child with toileting.
- 5. At least one staff/child did not wash their hands after each diaper change or pull-up change.

- 6. At least one staff did not wash their hands after contact with bodily fluids or cleaning up spills or objects contaminated with bodily fluids.
- 7. At least one child did not wash their hands after contact with bodily fluids.
- 8. At least one child did not wash their hands after returning inside after outdoor play.
- 9. At least one staff did not wash their hands after cleaning or sanitizing or using any chemical products.
- 10. At least one staff/child did not wash their hands after handling pets, pet cages or other pet objects that have come in contact with the pet.
- 11. At least one staff did not wash their hands before eating, serving or preparing food or bottles or feeding a child.
- 12. At least one child did not wash their hands before eating or assisting with food preparation.
- 13. At least one staff did not wash their hands before and after completing a medical procedure or administering medication.
- 14. At least one child did not wash their hands after water activities.
- 15. At least one staff/child did not wash their hands when visibly soiled (must use soap and water).
- 16. Other [].

Rule: 5180:2-12-22 Meal and Snack Requirements

<u>Code</u>: The program is required to post the current weekly menu in a noticeable location that is accessible to parents and note any substitutions at the time of the change.

<u>Finding</u>: During the inspection, it was determined that the program's weekly menu did not meet the requirement as noted in number 5 below.

- 1. The menu was not posted.
- 2. The posted menu was not in a visible place readily accessible to parents.
- 3. The menu was not currently dated.
- 4. The entire menu was substituted.
- 5. At least one item on menu did not match what was served.
- 6. The meal or snack served did not match the posted menu.

Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

Rule: 5180:2-12-08 Orientation Training & Whistle Blower Protection

<u>Code</u>: The program is required to have staff complete the online staff orientation training. Additionally, the training must be completed before they are permitted to have sole responsibility of children.

<u>Finding</u>: In review of the staff records, it was determined that child care staff member(s) did not meet the requirements for completing the online orientation training as noted in number 1 below:

- 1. The training was not completed within 30 days of starting employment at the program as a child care staff member.
- 2. Documentation of completing the training after December 31, 2016 was not on file.
- 3. Completion of the training was not verified in the OPR.
- 4. A child care staff member had sole responsibility of children and had not completed the online orientation.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Domain: 08 Staff Files

Rule: 5180:2-12-08 Child Care Staff Member Educational Requirements

<u>Code</u>: The program staff is required to have education documentation translated and shown as equivalent to a

high school education.

<u>Finding</u>: In review of the staff records, it was determined that the child care staff member listed on the Employee Record Chart had educational information on file that could not be verified as recognized by the state board of education or the appropriate agency of another state or country as equivalent to the completion of a high school education. The rule requires a child care staff member to provide evidence of the completion of a high school education. Submit the program's corrective action plan, which includes a copy of the educational information and/or equivalency report, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 10/30/2025

Domain: 08 Staff Files

Rule: 5180:2-12-08 Medical Statement

Code: The program staff's medical statements are required to be completed and on file at the program.

<u>Finding</u>: In review of the staff records, it was determined that the medical statements for the employees listed on the Employee Record Chart did not meet the requirements as listed in number 5 b/c below.

- 1. A medical statement was not on file for at least one employee;
- 2. The medical statement(s) on file did not have a date of examination within 12 months of the employee's first day of employment;
- 3. Date of examination was missing;
- 4. Signature, business address, or telephone number of the licensed physician, physician assistant, advanced practice nurse, certified midwife, or certified nurse practitioner who completed the examination was missing;
- 5. A statement was missing that verifies the employee is:
- a. Physically fit for employment in a program caring for children;
- b. Immunized against Tetanus, Diphtheria, Pertussis (Tdap);
- c. Immunized against Measles, Mumps, and Rubella (MMR);
- 6. Tuberculosis (TB) screening/test information was missing:
- a. Documentation of the screening process to determine if the employee resided in a country identified by the world health organization as having a high burden of TB and arrived in the United States within the five years preceding the date of application for employment.
- b. Results of a TB test for employees meeting both criteria in 6a.
- c. Results of additional testing for employees with a positive TB test.
- d. Written statement, signed by a representative of the TB control unit, that the employee's TB is no longer infectious or the individual is receiving a TB treatment regimen for employees with a positive TB test.

Submit the program's corrective action plan, which includes a copy of the completed employee medical statement, or TB results/documentation, to the Department to verify compliance with the requirements of this rule.

Rule: 5180:2-12-07 Administrator Responsibilities/Requirements

<u>Code</u>: The program administrator is required to maintain current employee records in the Ohio Professional Registry.

<u>Finding</u>: During the inspection, it was determined employment records in the Ohio Professional Registry (OPR) were not created or maintained as noted in numbers 5 and 6 below:

- 1. At least one administrator, employee or child care staff member (including substitutes) had not created a profile.
- 2. At least one administrator, employee or child care staff member had not created an employment record for the program on or before their first day of employment.
- 3. At least one administrator, employee or child care staff member had not updated changes to positions or roles within five calendar days of the change.
- 4. The administrator had not assigned at least one employee or child care staff member to the program's organization dashboard.
- 5. At least one individual's schedule was not current.
- 6. At least one individual's position or role did not include an applicable group assignment.
- 7. At least one individual's employment had not been end dated.
