

Center Complaint Inspection Summary Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Complaint Allegations

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Domain:00 License & Approvals

Rule: 5180:2-12-04 Food Service Requirements
Code: The program is required to obtain and maintain a valid food license if they prepare and/or serve food. The program is required to correct any food service violations to maintain their food service license.

Allegation: Food Service License suspended due to violations.

Determination: Substantiated

Findings: During the inspection, it was determined that the program failed to obtain or maintain a valid food service license as noted in number(s) 2 below:

1. The program was unable to obtain the food service license due to violations.
2. The program was unable to maintain the food service license due to violations.
3. The program prepared and/or served food without obtaining a valid food service license. The local health department must be contacted so the health official may determine whether the program meets exemption status, or whether the program needs a food service license.

Submit the program’s corrective action plan, which includes a copy of the food service license approval or exemption status, to the Department to verify compliance with the requirements of this rule.

Summary of Additional Non-Compliances

Serious Risk Non-Compliances

No Additional Serious Risk Non-Compliances were observed during this inspection

Moderate Risk Non-Compliances

Domain:00 License & Approvals

Rule: 5180:2-12-04 Building Department Inspection

Code: The program is required to refrain from using space that did not receive building approval and from caring for children in spaces not approved for that age group. The program is required to refrain from using a remodeled or modified space before obtaining building approval. The program is required to maintain building occupancy limitations.

Findings: During the inspection, it was determined the program was using space for child care in a manner that was not approved by the Ohio Department of Commerce or local certified building authority as noted in number(s) 7 below:

1. The [] room or space was not approved.
2. Children under school age were being cared for in a building only approved for school age.
3. The space had been modified and not yet re-inspected and approved.
4. The [] floor, which had not been approved by the building department for child care, was being used.
5. The building limitation had been exceeded. [] children were being cared for and the building had been approved for [] children.
6. The [] room(s) occupancy had been exceeded. [] children were being cared for in this space that had been approved for [] children.
7. Care was provided to children less than two and one-half years of age in the middle toddler room and the schoolage room. This violated the program's building code limitation in that, children less than two and one-half years of age are only allowed in the side toddler room and the infant room that have direct egress.

Submit the program's corrective action plan, which includes building approval for use of this space, a written statement that the building occupancy limitations are being maintained, or a written statement that it is no longer being used, to the Department to verify compliance with the requirements of this rule.

Domain:01 Ratio & Supervision

Rule: 5180:2-12-18 Ratio

Code: The program is required to maintain the appropriate staff to child ratio for each group served.

Findings: During the inspection, required staff/child ratios were not maintained for different groups on multiple occasions, as noted below:

The ratio determined for the Preschool group with schoolagers present was 1 Child Care Staff Member(s) for 15 children. Additionally, a ratio of 1 Child Care Staff Member(s) for 18 children was determined for the Schoolage group with an infant present.

Additional staff members must be hired or current Child Care Staff Members must be rescheduled to maintain compliance. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.
