Domain: 00 License & Approvals

Rule: 5180:2-12-03 Inspection Requirements

Code: The program is required to notify parents when a serious risk noncompliance is cited. The program must provide a copy of the written notice to DCY.

Allegation: Complainant alleges parents not notified of Serious Risk Non Compliance

Determination: Substantiated

Findings: During the inspection, it was determined the program did not provide a written or electronic notice of a SRNC.

The following was observed: The written notice was not provided to all parents of enrolled children within fifteen business days of receipt of the noncompliance. Two anonymous complainants stated that a notice letter was never received. During the investigation, the administrator was asked to provide a copy of the letter that was sent to families. The administrator could not produce a copy nor could she state the date the letter was sent to parents.

Submit the program's corrective action plan, which includes a copy of the written parent notification, to the Department to verify compliance with the requirements of this rule.
